3. HAIRCUT, SIDEBURN AND MUSTACHE POLICY

a. All student officers will present a neat and soldierly appearance. In the event newly arriving officers do not fit the criteria listed below, they should plan to visit the PX barbershop promptly.

b. The hair on top of the head will be neatly groomed. The length and/or bulk of the hair will not be excessive or present a ragged, unkept or extreme appearance. Hair will present a tapered appearance and, when combed, it will not fall over the ears or eyebrows or touch the collar except for the closely cut hair at the back of the neck. The so-called "block-cut" fullness in the back is permitted in moderate degree. In all cases, the bulk or length of hair will not interfere with the normal wear of all standard military headgear.

c. Sideburns will be neatly trimmed. The base will be a clean shaven horizontal line. Sideburns will not extend downward beyond the lowest part of the exterior ear opening.

d. The face will be clean shaven except that mustaches are permitted. If a mustache is worn, it will be kept neatly trimmed and tidy. No portion will extend beyond the corners of the mouth or fall below a line parallel with the bottom of the lower lip. Goatees, beards, and handlebar mustaches are not authorized. Personnel with shaving profiles will keep facial hair trimmed to 1/4 inch length or less.

3. Things to do in Surrounding Areas of San Antonio.

A "Touch of Texas" can be found in the beautiful hill country north of San Antonio. Easy access from Interstate 10 West takes you to LBJ Land, Fredericksburg (a distinctive German community), Kerrville (an artisan's paradise), Bandera (the cowboy capitol of the world) and leisurely country roads through Bluebonnet covered hills. (Wild flowers abound throughout the year with interesting samples of Cacti scattered throughout each nook and cranny.)

IH10 East takes you to fabulous Houston with the Astrodome and Astroworld, the Kennedy Space Center and luxury hotels serving Sunday brunch...then on to Galveston and its revitalized wharf area with its 19th century buildings and mansions...Special tram trains take you through the historic area. A stop at the San Jacinto Battleground on the way back will reaffirm Texas' freedom and proud heritage and all that it stands for.

San Antonio...American's most beautiful bicultural city is a stepping stone to old Mexico. Take IH 35 South to Nuevo Laredo and the Texas Valley and its citrus groves and beautiful vegetable farms..."The Bread Basket of the Southwest."

Enjoy the pounding surf, deep sea fishing and sun drenched beaches? Cut off Highway 281 at Three Rivers and proceed to America's longest natural beach, Padre Island National Seashore, or take the Corpus Christi Bay Tour via boat and conclude the day with a visit to one of the city's many famous seafood restaurants.

Then there's Austin on IH 35 North with the Capitol, the University of Texas, the LBJ Library, and the beauty of Austin itself.

In New Braunfels, just 20 minutes north of San Antonio on IH 35, visit picturesque Landa Park, fun for the whole family with many recreational activities to include floating the Comal and Guadalupe Rivers, and shooting the rapids in innertubes or canoes. The newest innovation to river floating is the recently completed waterchute at Prince Solms Park on the Comal River, two blocks from New Braunfels main plaza. Also popular is the Schlitter bahn, a wonderland of swimming pools, waterslides, and tube chutes guaranteed to leave you exhausted, located adjacent to Landa Park. While the price is not cheap, there's something there for every age group.

Nearby is Natural Bridge Caverns, Texas' largest cavern with an underworld fantasyland of shapes and colors; Canyon Lake, especially appealing to the sailing and fishing enthusiast (and Fort Sam Houston's private beach); and Aquarena Springs, a water wonderland of glass bottom boats, aquamaids, plants and exotic fish in an underground bubbling spring at San Marcos, Texas 45 miles north on IH 35.

Stop by the Tour and Travel Service Office, Bldg 2797 for more information, pamphlets, and discount tickets.
